Poolside Swim & BBQ Club

Enjoy great savings with over 100 club sessions for £133!

As well as being a great way of saving money on your swimming, the club is also designed to encourage families and other swimmers to become involved with the aims and objectives of Hampton Pool Trust. Operating from spring until autumn, we also do voluntary work for the pool, including helping at the fantastic fundraising Summer Picnic Concerts and raising awareness of the pool within the community.

Six more reasons to join the Poolside Swim & BBQ Club:

- We welcome individuals, couples or families of whatever age;
- Our aim is to ensure the continued survival and viability of the pool by our volunteer work assisting with activities and also by helping to raise funds;
- We host a friendly and relaxed ambience with the accent on enjoyment;
- There are three lanes for swimming at all club sessions...
...and plenty of room for families to enjoy themselves in both the main pool and the smaller learner pool;
- You can enjoy the benefits of a quieter environment:
Club takes place outside of public swimming sessions;
- The BBQ is lit during the evening sessions for members to cook their own food and socialise.

However, it is not a sports club and no coaching or sport activities are offered.

Our story is part of the pool's history

Originally known as the Swimming and Social Club, it was renamed the Poolside Swim & BBQ Club in 2011. It was established in 1985 when a group of local people saved Hampton Pool from permanent closure and it became the focal point for volunteers who raised money, cleared rubble and restored the pool for use by swimmers.

The emphasis on community spirit and voluntary work remains central to the club and all members are expected to contribute by organising and participating in fund raising activities and by offering more practical help with gardening and other maintenance. This commitment is an essential element of membership.

Membership forms are available from the Hampton Pool website, www.hamptonpool.co.uk/4_social.htm, or sign up at the pool itself!
